Columbia, SC 29210

Re: Docket 2005-385-E Order No. 2006-680

Dear Commission members,  
Please pass regulations offering net-metering to South Carolina residential customers. Every day we allow solar and wind energy to slip through our fingers which could save resources and create a market for solar and wind energy product manufacturing in South Carolina.  
Thank you.

Annemarie
